Re: General Review Certification Letter – Site Servicing and Grading

Hanes and Centre – 15,17,19 and 21 Hanes Rd, Huntsville, On.

Project # 21-371

SPA # SPA 134-21

During the course of construction of the above project, personnel from our firm carried out General Review in accordance with the performance standards of the Association of Professional Engineers Ontario. On the basis of our reviews, we have determined that the site servicing and grading components of the construction have been carried out in general conformity with the approved engineering drawings completed by Greystone Engineering Inc. and in keeping with the requirements of Division C, subdivision 1.2.2 of the Ontario Building Code.

Respectfully,

Todd Ricketts, P.Eng
Principal, Greystone Engineering Inc.
