Subject: RE: Bolton SPS Access Point Request - Form 6 or 9 to publish (PROJECT 21-2300 Assn G, Tender Call No. 2021 -434T)
Attachments: Certificate of Substantial Performance (Form 9).pdf

Good Afternoon Nitin,

Bolton SPS Forcemain Pipe Access Construction and Condition Assessment, PROJECT 21-2300 Assn G, Tender Call No. 2021 -434T

Please find attached a copy of the Certificate of Substantial Performance for the above work. Arrange for advertising of this certificate in the Daily Commercial News (DCN) within seven (7) days, and submit the following:

- Proof of publication in the DCN
- Certificate of Clearance from the Workplace Safety and Insurance Board
- A signed and sealed Statutory Declaration
- A letter releasing the Region from all further claims relating to the Contract

Please be advised that a Payment Certificate containing the Statutory Holdback release will be issued 60 days after publication, and upon acceptance of the items listed above by the Project Manager.

At that time, the value of any outstanding deficiencies will be retained until they are completed to the Region's satisfaction.

The Preliminary Acceptance for this project will be given only after all contract items have been completed and any deficiencies rectified.

The maintenance period will commence upon the date of Preliminary Acceptance. You are required to guarantee the works for a full 24 months after their completion and acceptance by the Region.

Thank you in advance,

Rafer Kantasingh, C.E.T.
