Dear Mr. Armstrong:

**Re: Substantial Performance
Rehabilitation of Elora Gorge High Level Bridge
Grand River Conservation Authority
Solicitation No.: OPS-2022-012
Burnside Project Number: 300054903.0000**

Enclosed please find the Certificate of Substantial Performance for the above-noted project, which was substantially completed on October 28, 2022.

After the expiration of 60 days from the date of advertisement of the Certificate of Substantial Performance, the Grand River Conservation Authority will reduce the holdbacks to 2.0% warranty, subject to Clearwater Structures Inc. providing the following:

- Proof of Publication of the Certificate in the Daily Commercial News;
- A Statutory Declaration that all liabilities incurred by the Contractor and the Contractor's Subcontractors in carrying out the Contract have been discharged;
- A Certificate of Clearance from the Workplace Safety and Insurance Board; and
- A signed copy of the Contract Release Form by the Contractor releasing the Grand River Conservation Authority from all further claims relating to the work completed up to October 28, 2022.

We trust that you will find the above to be in order.

Yours truly,

R.J. Burnside & Associates Limited

Calum Mackenzie, P.Eng.
