Attention: Mr. Shaun Boyer

Re: **City Contract No. 21 05 005**
Thorneloe Crescent Watermain Replacement

Dear Mr. Boyer:

Enclosed with this correspondence, please find the Certificate of Substantial Performance which establishes the date of substantial performance for the above-noted Contract on December 15, 2021. Accordingly, please proceed with advertising in the Daily Commercial News as required by the contract, thus commencing your 60-day holdback period for the release of your 10% statutory holdback. We would ask that you return a copy of the Certificate of Publication outlining the advertisement date together with a copy of the ad, for our record.

In order to complete the release of the statutory holdback following the 60 day lien period, we will require the following documentation in accordance with the Contract Documents:

- a) a release by the Contractor in a form satisfactory to the Contract Administrator releasing the Owner from all further claims relating to the Contract, qualified by stated exceptions such as outstanding work;
- b) a statutory declaration in a form satisfactory to the Contract Administrator that all liabilities incurred by the Contractor and the Contractor's Subcontractors in carrying out the Contract have been discharged except for statutory holdbacks properly retained;
- c) a satisfactory Certificate of Clearance from the Workplace Safety and Insurance Board; and
- d) proof of publication of the Certificate of Substantial Performance.

Please call me should you have any questions.

Yours very truly,
Kresin Engineering Corporation
