## Description of Works

Remove and replace sanitary sewer and maintenance hole at the rear of the building and add cleanout to new sanitary sewer. Install a cleanout on the sanitary sewer in the side yard of the building and restore all disturbed areas to existing condition.

## Notification

Tatham Engineering Limited hereby notifies the Owner that based upon our inspection of the Works and to the best of our knowledge and judgement the following are true:

1. The Works have satisfactorily passed the required inspection and testing.
2. The cost of completion of all outstanding Work and deficiencies is not more than 1% of the contract price or \$1,000, whichever is less.
3. The following documents have been received and are enclosed herewith:
  - i. the Contractor's final claim; and
  - ii. an updated release by the Contractor, in a form satisfactory to the Contract Administrator, releasing the Owner from all further claims relating to the Contract.
4. The date of substantial performance of the Works was: **May 16, 2023**
5. The date of completion of the Works was: **May 16, 2023**
6. The estimated final contract price (excluding applicable taxes and outstanding claims noted on the Contract Release): **\$32,377.58**
