**Re: Frozen Water Service Repair Project
Cities of Brampton and Mississauga
Document #2021-414T**

We enclose a copy of the Certificate of Substantial Performance for the above work. Please arrange for advertising this certificate in the Daily Commercial News (DCN) at your earliest convenience, and submit the following:

- Proof of publication in the DCN
- Certificate of Clearance from the Workplace Safety and Insurance Board
- A signed and sealed Statutory Declaration
- A letter releasing the Region from all further claims relating to the Contract

Please be advised that a Payment Certificate containing the Statutory Holdback release will be issued 60 days after publication, and upon acceptance of the items listed above by the Engineer. At that time the value of any outstanding deficiencies will be retained until they are completed to the Region's satisfaction.

The Preliminary Acceptance for this project will be given only after all contract items have been completed and any deficiencies rectified. The maintenance period will commence upon the date of Preliminary Acceptance. You are required to guarantee the works for a full 24 months after their completion and acceptance by the Region.

Mark Masley
Project Manager, Engineering
Water Linear, Engineering Services
Public Works

c.t.: R. Ierullo – Supervisor, Capital Works Inspections
A. Morrin – Program Manager, Water Linear Engineering Services Division
J. Lavhey – Supervisor, CAD/GIS
A. Myers – Technical Analyst – Water Linear Engineering Services Division
