Subject: Mill Creek Weir Removal – Substantial Completion

Dear Brian Coelho:

Please accept this letter as status of the channel works associated with the weir removal and channel restoration efforts recently undertaken on Mill Creek at 334 Broadway Street in Orangeville. At this time, CVC, the Owner and the Consultant agree that the project is substantially complete. The 10% holdback will be released 60 days after the substantial completion date (November 6, 2023) to ensure any construction liens would be cleared. At the end of the 60 day period (January 5, 2024), you may submit to CVC a final invoice for this remaining balance.

If you have any questions about this letter, please do not hesitate to direct questions to Chris Cummings at 289.323.0971 or by email at ccummings@matrix-solutions.com.
