**Balcony Repairs – Certificate of Substantial Performance** 

Sense's Project No. 22tR019B

Dear Yaz,

Please find enclosed a copy of the Certificate of Substantial Performance for this project.

Provided no liens have been registered against the property, statutory holdback for the project will become due 60 days after completion of the project. Receipt of the following information will also be required:

- WSIB Clearance Certificate;
- Statutory Declaration;
- Request for Release of Holdback; and
- Confirmation of publication of substantial performance.

Upon receipt of the required information, we shall issue a Certificate for Payment for Release of Holdback.

In accordance with the Contract dated May 9<sup>th</sup>, 2022 between the Contractor and the Owner, the Consultant on behalf of the Owner, and on the basis of a joint inspection with the Contractor on June 26<sup>th</sup>, 2023, hereby certifies that:

1. The work or a substantial part thereof is ready for use and may be used for the purpose intended,

and

2. The work is Substantially Performed. The work to be done under the Contract is capable of completion or correction at a cost of not more than \$20,000, which is less than the \$46,106 maximum limit required by the Construction Act.

The issuance of this Certificate does not release the Contractor or any Subcontractor from the duty of completing the Work pursuant to the terms of the Contract.

The date of substantial performance defines the start of the warranty period. The warranty

period for the pedestrian traffic coating and the aluminum guards is five years as per Section 01 78 36. The warranty period for the Duranar aluminum guard coating and the exterior insulation finishing system is 10 years. All other components of the work have a 2-year warranty.

Should you have any questions, please do not hesitate to contact us.

Yours Truly, Sense Engineering Ltd.
