Dear Mr. MacBride

Re: Regional Municipality of Peel
GE Booth WWTP Polymer System Upgrades
OCWA Project No. PEELXY7432-CCON
Certificate of Substantial Performance Part I

Enclosed please find a copy of Part I of the Certificate of Substantial Performance for the above-noted Contract which establishes March 05, 2024 as the date of Substantial Performance for the GE Booth Polymer System Upgrades in Mississauga, Region of Peel.

In accordance with sub-section 5 of Section 32(1) of the Construction Act, please arrange for the publication of Part I of this Certificate in the Daily Commercial News.

The actual date of such publication will establish the commencement of the 60-day lien period per Section 31 of the Construction Act. Release of the statutory holdback relating to the substantially performed work cannot be made before the expiry of such period.

Please provide this office with a copy of the publication.

In the interim, please ensure that all required documentation is submitted to the engineer as promptly as possible in order to avoid any undue delay in issuing Part II of the Certificate of Substantial Performance and release of the Statutory Holdback.

Yours truly,

Raj Roopchand, P.Eng.
Project Manager
Project Planning & Delivery Group
