Burlington, ON

**Attention: Kyle Richardson**

Dear Kyle :

**Subject: 3 Towering Heights Blvd., St. Catharines  
DHW Supply and Recirculation Pipe Replacement**

Please find enclosed a copy of the Certificate of Substantial Performance for this project. Provided no liens have been registered against the property, statutory holdback for the project will become due 60 days after publication of Substantial Performance. Receipt of the following information will also be required:

- Invoice for Release of Holdback with:
  - WSIB Clearance Certificate; and
  - Statutory Declaration.
- Confirmation of Publication of Substantial Performance
- Statement of Warranty Form
- A better understanding of the parties involved is required to assist in potential future disputes or warranty claims. Please provide the name, address, telephone number, and contact person of:
  - general contractor
  - sub-contractors
  - material manufacturers
  - material suppliers

Upon receipt of the required information, we shall issue a Certificate for Payment for Release of Holdback.

In accordance with the Contract dated October 20<sup>th</sup>, 2023 between the Contractor and the Owner, and on the basis of a joint inspection with the Contractor on July 30<sup>th</sup>, 2024, the Consultant on behalf of the Owner, hereby certifies that:

- 1** The work or a substantial part thereof is ready for use and may be used for the purpose intended; and
- 2** The work is Substantially Performed. The work to be done under the Contract is capable of completion or correction at a cost of not more than \$11,000, which is less than the \$31,264.22 maximum limit required by the Construction Lien Act.

The issuance of this Certificate does not release the Contractor or any Subcontractor from the duty of completing the Work pursuant to the terms of the Contract. The date of substantial performance defines the start of the warranty period. The warranty period for this work is two years.

Should you have any questions, please do not hesitate to contact us.
