| October 7, 2020 | Maacon Construction Corporation | Town of Collingwood |

Description of Works

The works included the reconstruction of Napier Street from Hume Street to Dillon Drive, within the Town of Collingwood. The project generally included the following:

- installation of 340 metres of sanitary sewer, including associated services to property line;
- installation of 390 metres of storm sewer;
- installation of 325 metres of watermain, including associated services to property line; and
- 350 metres of road reconstruction at an urban cross-section, complete with mountable curb and gutter, concrete sidewalk on one side of the street and restoration of all disturbed areas to a previous or better condition.
